

PUBLIC MEETING

The City of Dublin hereby gives notice that a public meeting will be held to discuss a wastewater improvement project funded by Georgia's Clean Water State Revolving Fund (CWSRF) on November 30th, 2020 at 12:00 pm online via Zoom conference. The following link can be used to access the conference: <https://global.gotomeeting.com/join/393664605> . Phone option is available at +1 (872) 240-3311, Access Code: 393-664-605.

The proposed project includes rehabilitation and extension of sanitary sewer infrastructure that serves the Dublin-Laurens County Industrial Park. Upgrades will include extending current gravity sanitary sewer line to additional properties for future development. This project will include approximately 1,000 LF of 8" clay pipe pipebursted to 10" HDPE, 11,000 LF of 10" Clay pipe pipebursted to 18" HDPE, manhole rehabilitation, installation of approximately 1,000 LF of 18" DIP sewer pipe, 1,300 LF of 18" PVC sanitary sewer pipe, and new manhole construction.

The purposes of the public meeting are to:

1. Inform the public of the need for improvements to the City's wastewater system.
2. To comply with Section 391-3-6-.02 of Georgia's Water Quality Control Rules (and amendments thereto).
3. To encourage public involvement in the development of a plan to improve the wastewater system.

During the public meeting the City will attempt to identify public preferences for alternative methods of improving the City's sanitary sewage collection system. These alternatives will be evaluated and included in the City's Facilities Planning and Environmental Review Document, the major planning document covering the wastewater system rehabilitation and extension. These documents are available for public inspection through the date of the public meeting online on the City of Dublin's website.

Your participation is encouraged and considered essential to the selection and development of the final plan to be adopted prior to its approval by the State of Georgia, Department of Natural Resources.
